May 2, 2011

Dear Mr. Randazzo,

On behalf of the Veterans of the NJ Veterans Memorial Home at Vineland, I would like to extend my sincere gratitude for granting the wish of three veterans to attend a Phillies Game. The generosity of your organization brought much happiness to our group and they are overwhelmed with joy at how close their seats were to the field.

For one of our Vets, this was truly a moment he will not forget. He received an injury to his eye while he served and he has lost nearly all of his vision in his one eye. He is an avid Phillies fan and he thought he would never be able to really experience a game at the ball park since the only seats he could afford would have been at such a distance he would not have been able to see. When he sat at his seat, he started to cry and told us he never thought he would have ever been able to see a player in his lifetime, but he was so close to the action, he was able to do so for the first time.

You have brought a life changing moment to our Heroes who served our Country. May God continue to Bless you and your organization for your thoughtfulness and generosity to individuals in need.

Again, I offer you my sincere gratitude in making our Veterans' dreams become a reality!

Sincerely,

Lisa A. Williams, AP-BC, ADC, CALA  
Director of Recreational Services/Dream Coordinator
